Coming in September 2018!!

DESE Special Education Professional Development Institute

We are proud to announce our Professional Development Institute for the academic year 2018-2019:

Supportive School Discipline: Using Restorative Practices and Trauma Sensitive Classrooms to Create a Supportive Learning Environment for All Students

Selected topics covered in this course include:

- * PBIS
- * Restorative Justice in Schools
- * Collaboration and Proactive Solutions
- * Trauma Sensitive Approaches
- * Working with Special Youth Populations: homeless, immigrant, and LGBTQ

Target audience: This institute is designed for educators and practitioners who are responsible for and/or involved in developing the culture and climate of the learning environment, such as:

- Assistant principals
- School adjustment counselors
- School guidance counselors
- School social workers
- Teachers

This institute will provide 67.5 FREE PDPs or CEUs.

Additionally, participants may pay \$1800 to Lasell College to receive 3 graduate credits.
